

What is the NSYA?

The Nova Scotia Yachting Association (NSYA) is the provincial governing body for boating and the sport of sailing in the province and is the Canadian Yachting Association's representative in Nova Scotia.

Incorporated in 1976 as a non-profit association, the NSYA has as its mission to provide leadership, coordination and training to meet the needs of all Nova Scotia boaters by

- Promoting sailing and power-boating through collaboration with and by supporting our partners, the member clubs, the member sailing schools and other stakeholders.
- Encouraging participation in the sport of sailing & power boating through excellence in instruction and development of coaches and officials;
- Actively participating in the development and maintenance of national policy and standards within the sport;
- Being the provincial voice of sailors & power boaters in dealing with regulatory authorities and others in matters affecting the sport of sailing and enjoyment of recreational boating;

Every year Yacht Clubs, and Sailing Associations are asked to pay membership dues on behalf of individual members to NSYA so that they remain "in good standing" and eligible to receive numerous member benefits. These membership dues are usually collected by Clubs as part of annual dues.

Membership Dues account for less than 10% of annual revenue for NSYA and allow the Association to carry out its work on behalf of ALL members.
